

**PCG Alert**

**Date: October 19, 2015**

**RE: Postponement of Disability Insurance Program (DIP) – STD Wage Paying & Repayment Seminars**

**Attention Payroll Officers:**

**Please forward this alert to those in your Organization who need this information:**

The Statewide Benefits Office (SBO) and the Division of Accounting (DOA) have jointly decided to postpone the Disability Insurance Program “**STD Wage Paying & Repayment**” seminars until early 2016.

**Registered Participants should consider this Alert as a cancellation notice.**

We have identified additional information to enhance the seminars and provide important tools for Human Resource, Benefit and Payroll Representatives to use in their work with the Disability Insurance Program. Over the next few months, we will work to streamline this additional information by conducting focus group research and creating process flow charts or checklists to ensure the proposed processes are easy-to-follow and effective. Watch for seminar registration announcements early next year.

We appreciate your patience and understanding as we work SBO towards this goal.
